SCOPE OF QUALIFIED TESTING AND EVALUATION LABORATORY

HERMON LABORATORIES, LTD. is qualified as an Independent Laboratory to test, evaluate and report on product meeting the requirements (except as might be noted) of UL Standard 60950-1, 62368-1, 61010-1 and 60601-1. Conduct all functions except as might be noted (Engineering Evaluations, Product Testing, Report Writing) for products when using CSA Standard C22.2 No. 60950-1, 62368-1, 61010-1 and 601.1. The above qualification is for current editions only. Eurofins E&E North America reserves the right to conduct special surveillance or review of a product at HERMON LABORATORIES, LTD. or in Baltimore, on a case by case basis. These services are conducted under the auspices of Eurofins E&E North America, an NRTL. Final approval and acceptance of HERMON LABORATORIES, LTD. test results, evaluations, and reports are controlled by Eurofins E&E North America. Where HERMON LABORATORIES, LTD. may have a lack of capability to perform specific tests due to lack of equipment or personnel, Eurofins E&E North America will conduct those activities.

Additionally, HERMON LABORATORIES, LTD. is qualified to conduct Factory Follow-up Inspections for products approved by Eurofins E&E North America within the above programs.

Approved since December 2008
